

NOT TODAY

I WILL NOT come to work sleepy or tired.

I WILL NOT let any person gain the advantage by placing me in a poor tactical position during any contact.

I WILL NOT ignore the danger signs that may be present during street encounters.

I WILL NOT allow any person to gain the advantage by failing to watch his or her hands and feet.

I WILL NOT conduct poor or incomplete searches.

I WILL NOT search first and then handcuff.

I WILL NOT come to work with dirty or inoperative equipment, hoping that everything will be all right.

I WILL NOT become hypervigilant but will remain alert, aware, and prepared.

I WILL NOT let my ego place me or others at risk.

I WILL NOT be reckless or careless in the operation of my duty vehicle.

I WILL NOT be unprepared for off-duty encounters.

I WILL NOT assume anything during my tour of duty.

I WILL NOT give up to ensure that I survive an incident.

I WILL NOT neglect my physical and mental wellness.

I WILL TODAY BE polite, professional, and prepared to perform my duties with utmost safety to me, my fellow officers, and the citizens I am sworn to protect.

**I WILL
GO HOME TODAY**
